Amendment A

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This amendment and the enclosed remarks are submitted in response to the Office Action mailed July 9, 2001. Applicant respectfully requests reconsideration of the captioned application in view of the following remarks and amendments.

In the Claims:

Please amend the claims as follows:

- DI
16. (once amended) A method of selecting a server to fill a client request for content, the method comprising:
- (a) determining that one or more clients needs or will need to receive the content;
 - (b) determining a first proximity between the one or more clients and a first server capable of supplying the content;
 - (c) determining a second proximity between the one or more clients and a second server capable of supplying the content; and
- OK
